- Students must be entering Grade 12 in Fall 2019.
- Students with a strong interest in a health career and are planning to enter a health career training program in: Medicine, Dentistry, Pharmacy, Physical Therapy, Occupational Therapy, Respiratory Therapy, Dental Hygiene or Nursing.
- Must be from Northern Manitoba. Preference is given to Indigenous students.
- Students in good academic standing.
- Students who complete all of the required application.

APPLICANT REQUIREMENTS

1. Completed application form.
2. Copy of your most recent high school transcript.
3. Short personal essay outlining your interest in health careers, community involvement and career goals.
4. **TWO** reference forms completed by two non-relatives (preferably an employer, teacher or guidance counsellor).

APPLICATION DEADLINE: MAY 24, 2019

CAMP DETAILS

- The camp will take place July 12-22, 2019 in Winnipeg in association with the University of Manitoba’s Biomedical Youth Summer Camp.
- All expenses are paid, including transportation, food and accommodations (U of M residence).
- Students will be required to attend academic classes and complete homework and assignments.
- Health career exploration will take place throughout the camp in the form of tours, lectures and hands-on activities.
- Students will be required to work in groups and produce and present a multi-media presentation of their experiences at the camp.
- Life skills components.
- Conditional acceptance into the University of Manitoba Health Careers Access Program for Indigenous students who successfully complete the camp and necessary pre-requisite grade XII courses.
